MGM COTAI Art Collection and the Chairman’s Collection

The MGM COTAI Art Collection features over 300 thought-provoking artworks, including modern and contemporary paintings and sculptures by renowned Asian artists, newly commissioned works by local and regional emerging artists, and large-scale installations. Leading the MGM COTAI Art Collection are 28 Chinese imperial carpets dating from Qing Dynasty that once adorned the Forbidden City in Beijing.

Within the Art Collection is the Chairman’s Collection, which encompasses over 40 pieces of contemporary art from Asian artists selected by Pansy Ho, Co-Chairperson and Executive Director of MGM China Holdings Limited, and James J. Murren, Chairman & Chief Executive Officer of MGM Resorts International and Chairperson & Executive Director of MGM China Holdings Limited. Curated by renowned art curator Mr. Calvin Hui, the Chairman’s Collection is themed around “A World Linked Through Art”, featuring works by 20th century modern and contemporary artists, including Hsiao Chin, Liu Dan, Lin Guocheng, Liu Guofu, Xue Song, Ung Si Meng, and many more. The collection provides a stunning visual complement to MGM COTAI, while reflecting MGM’s commitment to creating world-class destinations that epitomize entertainment, creativity, and style. The Chairman’s Collection connects East with West, tradition with innovation, MGM with Macau, and serves the Chairman’s Collection’s mission of bringing the world to China, and China to the world.
